Mayor's Report

For many years, the Elected Officials of Whitehall Borough have recognized the accomplishments of past and present Whitehall Residents and some Non-Residents who have made significant contributions to the Borough during their employment. These recognitions have taken various forms including *Citations of Merit and Proclamations*, which are executive acts initiated by the Office of Mayor; *Resolutions* that are legislative actions undertaken by Borough Council; and *Awards*, which are issued and signed by both the Mayor and the Council President.

The most familiar of these awards are likely to be those given on Whitehall Borough Community Day. There are three awards, the most prestigious of which is the **"Person of the Year."** This award is given to present or former Whitehall Residents who have accomplished something extraordinary in their fields of endeavor and in doing so have brought recognition and distinction to themselves and their "Hometown Borough" in the wider Allegheny County community and even beyond. The awardees include elite runners, pageant winners, University Presidents, a Mayor, Council Persons, the founder of Family Tyes, Librarians, Police Chiefs, ministers, a hockey goalie, a news anchor, an artist, an artisan, prominent researchers, a nationally known cutting-edge research participant, a composer, a decorated soldier, chief executive officers, a national activist, and a celebrated service organization. You can see all 30 honorees on a plaque on a wall outside of the Administration Office in the Whitehall Borough Building.

"Community Service Awards" have been given to present or former Whitehall Residents who have made significant and voluntary contributions to the betterment of Whitehall Borough. Since the inception of this award in 1994, there have been 114 honorees who have improved Whitehall Borough in countless ways, making it one of "the most livable communities" in Southwestern Pennsylvania.

Not all awardees are nominated by the Elected Officials. In fact, nominations for the **"Good Neighbor Award"** are made exclusively by the people of Whitehall Borough, identifying individuals within their neighborhoods who go above and beyond what it means to be a neighbor. This award was the brainchild of a Whitehall Resident who was overwhelmed by the generosity of his neighbor that he encouraged the Mayor and Borough Council to create an award to honor such model citizens. From 2004 through the present, 62 individuals or groups have been celebrated as "Good Neighbors."

"Recognizing Whitehall Celebrities and Model Citizens"

Many recognitions are bestowed in more intimate settings than Community Day such as a **Citation of Merit** for a scout who achieves the rank of "Eagle" from Scouting America or a **"Gold Award"** from the Girl Scouts of the USA. Others are proclamations issued by the Mayor recognizing momentous occasions. Some of my favorite such recognitions have been the Proclamations that I have given to Whitehall Centenarians on the occasions of their 100th birthdays.

Finally, some awards arise out of unusual circumstances that compel a strong public response and affirmation of the courageous actions of individuals in extreme emergencies. When a Boy Scout stabilized his father's broken leg in a remote wooded area and led him out of the wilderness to safety, he became the recipient of the first **"Extraordinary Deeds Award."** The second awardee was a Resident who used cardio-pulmonary resuscitation to revive a laborer who was electrocuted when his metal ladder touched a high-tension line.

If you know a Resident who is deserving of recognition by the Elected Officials of Whitehall Borough, please share with us that person's name and story so that we can find a way to honor your nominee. There are many unsung heroes whose civic contributions are waiting to be told!

Engaging citizens in the local governing process is what makes a Government more effective, more inclusive and ultimately, more successful in serving the Community. This engagement requires the **honest** and **respectful** exchange of information, whether it be person to person, at a public meeting or on social media. As misinformation campaigns continue, I urge you all to make sure you're following the official Whitehall Borough Communication channels. Please make sure to follow us on Facebook and sign up for the monthly E-Newsletter for factual and accurate information. If you have a question that is not answered by the information posted on these channels, please do not hesitate to contact Staff via telephone or email. Residents are also welcome to drop in during regular business hours as well.

Council President

Whitehall Borough provides many educational opportunities to learn about services and amenities that our Community offers. Residents should take advantage of our Whitehall Public Library programs, attend speaker forums hosted by the Whitehall Historical Society, honor our Veterans at the annual Veterans Day and Memorial Day Ceremonies, join the Whitehall Committee for Environmental Action and learn from the Brentwood Baldwin Whitehall Shade Tree Commission.

Another level of Resident involvement is volunteering with the Borough's many Boards & Commissions including: the Library Board, the Recreation Board, the UCC Board of Appeals, the Planning Commission, the Zoning Hearing Board, and the Civil Service Commission.

Whitehall Borough provides many opportunities to bring Residents and Borough Officials together, to learn from one another as we continue to enjoy the prosperous Community we all endeavor to make better.

Manager's Message Courtney M. Wertz

A lot of activity has occurred since my last message to you in the Spring Magazine. As I am writing this message – Overlook Park Phase I is wrapping up, Overlook Park Phase II is out to bid (more on that on page 21), Credit Card payments are being accepted across Departments for various events, fees, permits and tickets, the Solar Panel Project is out to bid, and the 2024 Road Program is underway.

As I write this message – **2024 Community Weekend** has just concluded and I daresay it was our largest crowd yet and most successful Community Day in years. Many thanks to the Vendors, Entertainment and Residents that attended. It was a true Community gathering and the best of Whitehall Borough was on display. This event would not have been possible without the leadership of Parks & Recreation Director Hannah Bower and the Recreation Board, whose hard work and dedication ensure everything runs smoothly.

The **Whitehall Borough Swimming Pool** is wrapping up an extremely successful sophomore season - over 3,100 passes were sold, attendance averaged over 500 people a day with \$450.00 in weekday walk up admissions, and weekend walk-up admissions averaged \$800.00 per day. Shout out to the Pool Management – Walt Milinski & Cory Fitzharris – for their exemplary leadership as they continue to learn the ins and outs of the new pool while supervising the largest crowds we've had in decades. Bids are currently being solicited for a **Swimming Pool Cover** that should see reduced water and sewer costs in the coming years. The cover is estimated to pay for itself in 3-4 years' time and will reduce operating costs at the Swimming Pool.

Perhaps of most interest to many of you, is the progress on implementing **Live Streaming** of Borough Council meetings. In March, Council Chambers moved to what was previously known as the Multi-Purpose Room. The room was recently renovated with new paint and carpet. This larger room has a much better layout than the old Council Chambers and accommodates more people, more comfortably as well. It's been a long two-year journey with Comcast to install dedicated **Fiber Internet** here and update our internal infrastructure. Once the switch was made, Staff realized that the updates required more speed than originally thought. I'm happy to announce Comcast is doubling our speed effective September 2nd at no additional cost to the Borough. Quotes are currently being solicited from various vendors for AV Hardware which will go before Borough Council in September for consideration. Once a vendor is selected, Staff will coordinate with our IT Provider and Live Streaming will launch this Fall just in time for the annual Budget Meetings.

I invite you all to tune in or attend in-person on Saturdays, **November 2nd, 9th and 16th** starting at 9:00 AM where Borough Council will discuss the 2025 Borough Budget in detail. Agendas will be posted closer to the meeting dates. It's a great opportunity to see firsthand the collaboration between Borough Departments and the detailed work Staff puts into presenting the facts to your Elected Officials so they can make informed decisions to best set Whitehall Borough up for success.

Goodbye Summer Sun. Hello, Fall Breeze.

Community Day Awards

Congratulations to this year's Winners:

Person of the Year: Mark Christman

Community Service: Michelle Crawley & Sean Crane

Good Neighbor: Dennis Stumpf

Cover Photo Contest

You may have noticed a shift in our recent publications to feature more personal pictures of the Community. We want to give Residents a chance to have their photos featured on the COVER of an upcoming magazine! Please submit photographs to info@whitehallboro.org and include written permission for the Borough to publish. We want to represent you!

Interested in Having a Block Party?

Requests should be made in writing to Mayor James Nowalk at jnowalk@whitehallboro.org. Please include the Date, Time and specific block you are seeking to close. First time hosting? Make sure to attach a petition with your neighbors' addresses and signatures agreeing to the proposed road closure.

Did you host a Block Party this Summer?

Please send us pictures!! We would like to highlight the ways in which our Community members connect within their own neighborhoods! Email pictures to info@whitehallboro.org and include your street/block and date of your party. Written release required in order to be featured in the Spring/Summer magazine!

2024-2025 BWSD Calendar

Those of you with children enrolled in Baldwin Whitehall School District may have noticed the annual calendar looked a little different this year. BWSD graciously offered to feature Municipal Events and Information in the calendar as part of a wider Community Collaboration across the District. Go Highlanders!

Annual Christmas House Decorating Contest

Whitehall Borough invites Residents to light up Christmas once again! Nominate a neighbor or your favorite decorative house in the Borough by emailing kdepuy@whitehallboro.org or by calling the Administration Office. Decorate and be appreciated!

Honor Roll

The Public Works Department recently renovated the Honor Roll on Baptist Road with new stone and landscaping. Council President Linda Book and Borough Manager Courtney Wertz worked with Representative Pisciotto to secure a \$5,000 donation from UPMC that was used to purchase a new bronze plaque honoring those who have served in the Armed Forces.

Credit Cards

After a few months of Beta Testing, we are THRILLED to announce that the Borough now accepts all major credits cards both in-person and online! Payment links can be found on the Borough website and will be updated as events are added.

Check out the Payment Portal here: <https://whitehallboro.org/payment-portal/>

Police Department Payments

Beginning September 1, the Police Department will only accept cash in exact amounts when paying fines and fees in person at the Police Station. If you do not have exact cash, you can still pay via check, money order, or credit card.

Need Some Salt? "Snow" Problem

After two mild winters, the Borough's salt supply is overflowing! There are currently **3,200 tons** of salt in the Salt Dome, ready for winter weather.

COMMUNITY WEEKEND 2024

THANK YOU FOR JOINING US!

For the first time in Special Olympics Pennsylvania history, MORE THAN \$1,000,000 was raised in a single fundraiser! Thanks to everyone who donated to our team!

Residents enjoyed good music, food and fun at the **Summer Concerts in the Park**. Check out the 2025 Spring/Summer Magazine for the schedule!

Whitehall Kids of Steel is a movement group that meets for FREE practices during the Winter/Spring to prepare to MOVE and complete a WHOLE marathon over several weeks. Practices start in January

Residents received adult, child, infant CPR and Heimlich certification.

Our 6-Week **Summer Camp** was a huge success! Campers were able to attend field trips, swim at the Whitehall Pool, enjoy ice cream, pizza and more! Registration for 2025 begins in April.

1

Will I get a new physical pass every year?

NO. Physical passes will be reactivated from year to year. If you lose your pass and would like another physical pass, the lost ID fee is \$15.00

2

How do I obtain my Guest Passes after purchase?

Guest passes are not physical passes. Guest Passes are connected to your pool pass profile. As you bring a guest, passes will be deducted from your pool pass profile at the gate. If all 10 guest passes are not used, the passes will rollover to the next year. A Pool Pass must be purchased to access Guest Passes.

3

How many guests can I bring to the Swimming Pool?

Residents over 18 years of age can bring TWO non-resident guests with them using Guest Passes or paying the daily rate of \$10.00.

4

How do I find information about Pool Closures?

Weather and event related closures are posted on the Borough Website and Whitehall Recreation Facebook page. Please note: Closures that occur after business hours and on the weekends will not be posted to the Borough Website.

5

How can I apply for a Private Pool Party?

Applications may be submitted January 1, 2025 for Private Pool Parties and are first come, first serve. There are a limited number of spots, so apply early! Applications can be sent to hbower@whitehallboro.org

6

Are Swimming Lessons Available?

Swimming Lessons were back this Season! Swimming Lessons are held in July for ages 4 and above. Check out the Spring/Summer 2025 Magazine for registration dates.

Whitehall Public Library

LOVE YOUR
LIBRARY  2024

It's September and you know what that means – it's time to **Love** Your Library!

HOURS OF OPERATION

Monday–Thursday 10:00 AM–8:00 PM

Friday 1:00 PM–5:00 PM

Saturday 10:00 AM –5:00 PM

Sunday Closed

www.whitehallpubliclibrary.org

We thank you in advance for loving the Whitehall Library once again this September. Thank you for all the many ways you support us all month long. Every dollar raised is meaningful and available for that generous prorated match!

And for an extra-special opportunity that you don't want to miss: prepare to be spellbound by the whimsical and the wonderful at this year's 21+ After Hours Fundraiser!

Watch in amazement as special guest **Lee Terbosic** dazzles guests with captivating up-close magic performances that will leave you transfixed! Plus, test your magical prowess with captivating games and activities, all while raising money for a good cause.

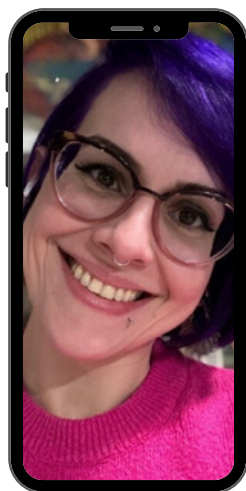

Friday, September 20 from 7:00 PM- 9:00 PM

Tickets are \$35/per person and can be purchased in the Library or at <https://givebutter.com/magic2024>

Your Library support makes so much possible. Just like all of you, the Library has felt the impact of rising costs. Expenses around program supplies, office supplies and collection purchases have increased, but because of our strong community support from donors like you, we are able to continue to offer programs and services free of charge. This September marks the ninth year that the Jack Buncher Foundation has pledged matching funds to support all Allegheny County libraries. What an incredible gift.

Welcome, Mariana!

Please join us in welcoming Mariana Olmeda, our new Reference and Digital Services Librarian! She provides reference assistance (including reading recommendations), as well as providing one-on-one appointments and general technology support. A proficient bilingual (English and Spanish), Mariana was born in San Juan, Puerto Rico and holds a Master of Library & Information Science (MLIS). She has more than a decade of experience providing reference, instruction, information systems, material processing and more for organizations throughout Pittsburgh such as CCAC, Carnegie Library of Pittsburgh and remote reference services for institutions across the country. Mariana resides in our Borough with her husband and two kids and is an avid reader of all things romance. Stop by and say hello to Mariana (and get a book recommendation) on your next trip to the Library!

Donate your Time and Talent

There are several opportunities for committed Community Volunteers to support the Library through board service. Our Library Board is always looking for 'a few good men' as board members have term limits, and the perspective of fresh eyes is always welcomed and appreciated. Library Board meetings occur monthly, and members must be Whitehall Residents. If you don't wish to fully commit as a board member you can also consider board committee service to help with fundraising and advocacy. Interested? Please reach out via email to **whitehall@einetwork.net** and we'll be in touch!

Another great way to support the Library is by becoming a Friends of the Whitehall Library board member. The Friends help to support the work of the Library through fundraising initiatives and advocacy at the local, state and national level. Friends meet monthly via Zoom and there is no residency requirement. If making a difference in your community is important to you, then please send an email of interest to **whitehall@einetwork.net**.

ATTENTION Libby and Hoopla Users

Library patrons in Allegheny County who enjoy borrowing digital resources, whether it be books, graphic novels and comics, magazines, film, music and more, are fortunate to access both Libby and Hoopla, which offer a vast selection of items to choose from.

You may have noticed some recent changes, namely:
Libby holds have reduced from 20 to 10
Libby borrows have reduced from 20 to 10
Hoopla monthly borrows have reduced from 15 to 5

Why is that? The skyrocketing increase in demand for digital borrowing accompanied with increased associated costs for digital purchasing have made it unaffordable for libraries to keep up without implementing cost-saving measures. Please know and appreciate that much data analysis and planning went into consideration before adopting changes that had the least negative impact on library users while enabling an affordable bottom-line for libraries.

And here's a **pro tip!** Use the Tags and Wish List features in Libby and Favorites in Hoopla. You can manage your To Be Read list without filling up those precious holds. If you have questions, we're always here to help you.

Film Screenings

Get the Picture: Classic Movie Matinee | Tuesdays @ 1 PM

5 Benefits of Autumn LEAVES

- 1 Insulate trees, shrubs, gardens, flower beds, and containers through winter.
- 2 Fertilize and aerate lawns with thin layers of shredded leaves.
- 3 Apply decomposed leaves as a moisture-regulating soil conditioner.
- 4 Add in dry, brown, carbon-rich material to balance compost.
- 5 Leave the leaves!
Birds, butterflies, moths, fireflies underground, and many more depend on areas of duff (unshredded leaves) for protection over winter.

Planning, Zoning and Code Enforcement

ZONING AMENDMENT - LIMITED AMUSEMENT ARCADES

At its August 7, 2024 Meeting, Borough Council adopted a Zoning Ordinance Amendment that allows Private Clubs to operate Limited Amusement Arcades – machines for the playing of games of skill and amusement. Private Clubs join Bowling Alleys, Convenience Stores, Grocery Stores and low-turnover and high-turnover Restaurants where three or less amusement devices are permitted as an Accessory Use to the specific principal use.

Under the Zoning Ordinance Amendment, an establishment with a Limited Amusement Arcade must have employees monitor the operation during business hours. The Ordinance amendment also adds definitions for Private Club, Convenience Store and Grocery Store.

CLEAN EXPRESS AUTO WASH

Clean Express Auto Wash recently opened for business. Construction was completed in late July for the 3,700-square-foot Car Wash at the former Marathon Oil Gas Station site. Borough Council granted Conditional Use and Land Development approval for the Project in November 2022.

REFUSE REMINDERS

- The placement of garbage, rubbish and recycling containers at curbside may be placed no earlier than 3:00 PM on the day prior to the designated collection day and must be removed from curbside to the storage area no later than 8:00 PM on the day of collection.
- Hours of collection - 6:00 AM to 5:00 PM
- All trash and recyclable materials must be placed inside bins to be collected. (No items placed outside of the bins will be collected).
- Residents may place up to two (2) Bulk Items at the curb once a month. The collection of Bulk Waste shall be on the same day as your regular collection. The Borough's designated Bulk Waste Collection week is the **3RD FULL WEEK OF THE MONTH**.
- Recyclable items include - aluminum and tin cans, PLASTICS 1 and 2 ONLY, glass, magazines, catalogs, telephone books, junk mail, envelopes, all color office paper, paper grocery bags, chipboard food boxes, newspapers and insert and cardboard boxes. Cardboard boxes must be flattened and cut in three-foot sections.

LEAF WASTE COLLECTION

The Leaf Waste Curbside Collection Program will be six (6) weeks long in the Fall. Please see the calendar on page 22 for collection dates.

- Leaf Waste shall be placed in biodegradable paper bags for collection.
- Shrubbery and branches may be placed at the curb for collection, provided they are no longer than 4 feet in length or 40 pounds in weight. Items must be bundled and tied together.

YARD WASTE DUMPSTER

The Borough provides a dumpster in the upper lot entrance to Prospect Park from April 1 to October 31 for Residents to discard Yard Waste for composting.

- Residents are **NOT required** to use the Yard Waste dumpster. Yard Waste may still be bagged and placed inside the trash totes. The dumpster is for composting of Yard Waste.
- Contaminated items in the Yard Waste Dumpster trigger the driver to take it to the landfill. This costs the Borough significantly more to dispose of than if it is taken for composted as intended.
- Yard Waste includes: Leaves, Grass Clippings, Garden Residue, Tree Trimmings, and Plant Material.

If you've ever attended a Borough Council Meeting, you've undoubtedly come across several acronyms used in discussions about the Borough's sanitary and storm sewer systems. It can be confusing for even the most seasoned official to follow the alphabet soup that are government acronyms. Below is a quick reference guide of the most commonly used acronyms when discussing sewers in the Borough. Read on to learn more.

To start – Whitehall Borough has two sewer systems that perform different functions:

Sanitary Sewer System handles the disposal of wastewater; and
Storm Sewer System handles stormwater, or the water that runs off the land after precipitation.

Both sewer systems operate under different unfunded mandates from the Pennsylvania Department of Environmental Protection (**PA DEP**) and Environmental Protection Agency (**EPA**).

ACCD

Allegheny County Conservation District – An urban conservation district that engages and leads through partnerships, innovation, and implementation to conserve, promote, and improve Allegheny County's natural resources. The ACCD has regulatory authority through an agreement with PA DEP to operate Chapter 102 and 105 Programs.

Chapter 102 – Erosion and Sediment Pollution Control Program. Protects water and soil quality by keeping sediments on land and out of waterways.

Chapter 105 – Dam Safety and Waterway Management. Ensures waterways are protected by regulating any object built in or adjacent to a stream, floodway, wetland or other waterbody.

ALCOSAN

Allegheny County Sanitary Sewer Authority – Entity responsible for wastewater collection for 83 municipalities. The majority of Whitehall Borough wastewater flows to ALCOSAN for treatment. Similar to Pleasant Hills Authority.

PHA

Pleasant Hills Authority – Entity responsible for wastewater collection of an estimated 300 homes in Whitehall Borough. Similar to Allegheny County Sanitary Sewer Authority.

ACHD

Allegheny County Health Department – County agency responsible for protecting, promoting and preserving the health of Residents of Allegheny County.

CSO

Combined Sewer Overflow – An event where wastewater and stormwater in a single pipe, overload the system and flow into rivers and streams. Occurs during significant rainfall when a Combined Sewer System fills up beyond their capacity to carry both wastewater and stormwater.

CWA

Clean Water Act – Enacted in 1972, the Act is the primary Federal law in the United States governing water pollution. It is administered by the Environmental Protection Agency and prohibits discharging pollutants through a point source into a water of the United States without an NPDES Permit.

MCM

Minimum Control Measures – Minimum requirements from the Environmental Protection Agency and Pennsylvania Department of Environmental Protection for an MS4 Permit to prevent stormwater pollution from entering nearby waterbodies.

1. Public Education & Outreach
2. Public Involvement & Participation
3. Illicit Discharge, Detection and Elimination
4. Construction Site Stormwater Runoff Control
5. Post Construction Stormwater Management
6. Pollution Prevention & Good Housekeeping

E&S CONTROLS

Erosion and Sediment – Sediments are organic materials that move from one place to another through the process of Erosion. E&S Controls are practices to prevent erosion and control sediment. PA DEP requires a Permit for stormwater discharges associated with construction activities under Chapter 102 as administered by the ACCD.

EPA

Environmental Protection Agency – An independent agency of the United States Federal government tasked with environmental protection matters. The Agency has principal implementation authority of the Clean Water Act.

I & I

Inflow & Infiltration – Used to describe water that enters a sewer system that shouldn't be there. Inflow is when surface water enters a sewer system through an opening such as a manhole or roof drain. Infiltration is when groundwater enters a sewer system through leakage (pipe breaks). Infiltration can be caused by rainfall or high ground water.

MS4

Municipal Separate Storm Sewer System – A collection system designed to transport rainwater and snow melt i.e. stormwater runoff to nearby water courses.

MS4 PERMIT – A federally mandated stormwater management program designed to reduce pollution and other negative impacts from stormwater runoff. Administered through the Clean Water Act, Pennsylvania implemented State regulation of the MS4 Permit in 2003. The permit requires municipalities to comply with the six MCMs.

PA DEP

Pennsylvania Department of Environmental Protection – State agency tasked with protecting Pennsylvania's air, land and water resources. Responsible for oversight of the Borough's MS4 Program and Permit.

PRP

Pollution Reduction Plan – Requirement from Pennsylvania Department of Environmental Protection (PA DEP) for MS4 Permitted entities that discharge to an impaired stream to prepare a plan on how to reduce pollution by an assigned percent reduction or allocated load to improve water quality. Whitehall Borough has PRP Plans for the Saw Mill Run Watershed and Streets Run Watershed.

NPDES PERMIT

National Pollutant Discharge Elimination System Permit – A license for a facility to discharge a specified amount of a pollutant into a receiving water under certain conditions.

SSO

Sanitary Sewer Overflow – Condition in which wastewater is discharged from a Sanitary Sewer prior to reaching a treatment facility.

Police Department

"Traffic concerns and Ordinance Violations can be hot topics for Community Members. This year the Police Department has diligently worked to address these concerns."

TRAFFIC

Whitehall Police Officers increased traffic enforcement efforts this year, with an emphasis on speeding and stop sign violations. Our efforts include traffic enforcement details, traffic studies, and new signage and roadway markings.

Based on recent traffic studies, new stop signs have been placed at the following intersections to reduce traffic collisions and "near misses."

- Caste Drive north at Cherryvale Drive
- Caste Drive south at Cherryvale Drive
- Dunn Drive west at Seton Drive
- Seton Drive north at Dunn Drive
- Doverdell Drive east at Locust – remove Yield Sign and replace with Stop Sign

The Department will also purchase an additional set of portable radar speed signs before the end of the year to identify speeding complaints. The signs help determine the best time to deploy officers to problem areas. To request the temporary placement of signs in your neighborhood, please email adminstration@whitehallboropd.org.

PARKING

Residents are not permitted to park on Borough roadways between the hours of 2 A.M. – 6 A.M. per Borough Code (**Chapter 171; Schedule XVII: Restricted Parking**), except with permission from the Police Department. The Department can grant an overnight parking exemption for up to 3 days for guests, and 7 days for construction projects. The 3- and 7-day time periods are not absolute. We do grant additional 3- and 7-day time periods for legitimate reasons.

Parking vehicles in your yard is not an acceptable alternative to the on-street parking restrictions. **Section 180.104.1** of the Borough Zoning Ordinance requires all off-street parking spaces to be paved with an all-weather, dust free surface and all off-street parking shall be limited to paved areas.

Please remember the purpose of our parking regulations is to:

- Provide unrestricted access for emergency vehicles
- Enable public works to quickly clear snow and ice from the streets
- Keep abandoned and disabled vehicles off Borough streets.

SOLICITATION

All solicitors are required to possess and show a permit issued by the Whitehall Police Department when asked. Should you have any concerns or feel uncomfortable with solicitation at your residence, please call 412-884-1100 to see if the individual or group was issued a permit.

- Solicitor activity is not permitted at any time on Sunday or upon any other day of the week before 9:00 A.M. or after 9:00 P.M., except by prior appointment.
- Peddler or Hawker activity is not permitted at any time on Sunday or upon any other day of the week before 9:00 A.M. or after 6:00 P.M., except by prior appointment.
- Canvasser activity is not permitted 9:00 A.M. or after 9:00 P.M. except by prior appointment.

Whitehall Police Department now provides Residents with the option to sign up for the **NO-SOLICITATION LIST**. As a Resident, you can choose not to have vendors visit your home in the course of their door-to-door sales. This list is valid for **five years**, at which time you will be required to re-apply if you wish to continue enrollment. The no solicitation list does **not** apply to charitable, political, or religious groups.

In less than a month, over 250 households signed up to be included in the list. If you would like to sign up, please visit www.whitehallboro.org/solicitation and submit the online form.

Fire Company

FUND DRIVE

The Whitehall Fire Company is currently conducting its **Annual Fund Drive Campaign**. This year we began with an email blast followed by the mailing of our flyer solicitation. So far quite a few Residents have responded; however, we need every homeowner and business to support us this year.

Like you, our costs for operations, equipment and training have significantly increased over the past few years. This past Winter our HVAC system failed, and we had to replace it at a cost of over \$30,000. Our trucks require new tires, annual inspections, and regular maintenance and repairs, totaling \$20,000. Additionally, our vehicle, building, and liability insurance cost \$15,000 annually.

We hope our Residents and Businesses respond to our plea for assistance as generously as the Whitehall Fire Company responds to our Community during times of emergency and need.

NEW-TIP BOARD!

We have also initiated a new online fundraising mechanism by using tip boards. Tips are sold for prizes such as gift cards, PA Lottery scratch off tickets, electronics and sporting equipment. Our secure fundraising site is located-at <https://admin.eservicestech.com/p/WFC/events> Please check it out.

TRAINING

The Whitehall Fire Company places a high value on certification and training. To become a Member, the completion of NFPA Firefighter 1 training and certification is required. We also hold regular training sessions or drills on three Thursday evenings each month. Additionally, some Firefighters enroll in special training courses for water rescue, vehicle rescue, pump operations, and incident command.

IN OUR COMMUNITY

Last year, we responded to **536 calls**. With 425 calls as of July 29th, we are most likely to surpass that record - making 2024 the busiest year yet for Whitehall Fire Company. One of our most interesting calls this past year was the rescue of Rocky, a Resident's pet kitten. When Rocky first arrived home, he was eager to explore his new surroundings and managed to squeeze himself inside the home's HVAC ductwork. This led to the unique challenge of locating Rocky within the ductwork and figuring out how to remove him without causing any injury or damage to his new home. Fortunately, one of our firefighters had access to endoscopy equipment, allowing us to rescue Rocky without using up any of his nine lives.

Veteran's Day

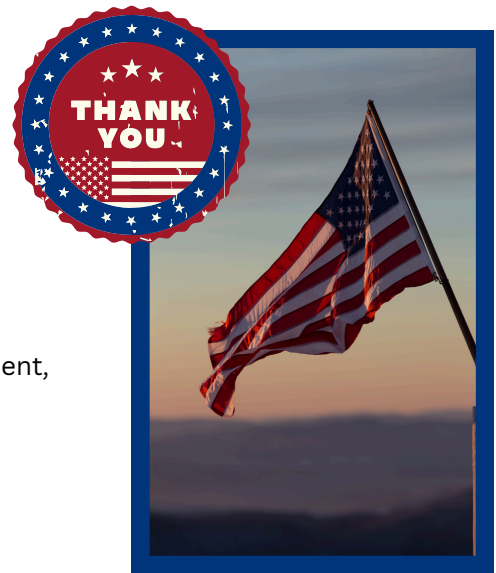

☆☆☆ Ceremony

Please join Whitehall Borough, Army Veteran and Council President, Linda J. Book in honoring our Nation's Veterans.

Monday, November 11, 2024

11:00 AM - Whitehall Community Room

Enjoy complimentary refreshments at 10:30 AM provided by the Whitehall Community Lions Club. If you would like to participate in our Celebration of America's Veterans, please contact Ms. Book at lbook@whitehallboro.org

American Flags

Bring your retired American Flags to the Library Lobby to respectively dispose of.

Resident Zachary Horvath donated the Flag Retirement Box as part of his Eagle Scout Project. Zach is a member of Troop #338.

"Giving the symbol of freedom a proper resting place."

Military Banner Program

Interested in **volunteering** your time to oversee the Military Banner Program? This position would include processing Military Banner applications, ordering the banners, and tracking banner locations once they are hung. For more information, please email lbook@whitehallboro.org

Veterans Resources

Veterans qualify for a variety of benefits, services, and programs within the County, State, and Federal Government.

Borough Staff has created a "Veterans Resource" page on the Borough Website to assist Veterans who are looking for this valuable information.

Parks Update

OVERLOOK PARK

Overlook Park Phase I is nearing completion! The Park was closed for the 2024 Season as the Borough used funds from the American Rescue Plan Act to install a new playground, replace the Orchard Hills Steps and rebuild the Concessions & Restroom Building. This will be the first park in the Borough to have a poured in place rubber surface – a request from many parents and grandparents. Residents can enjoy the park this Fall before Phase II takes place.

At the July 17, 2024 meeting, Borough Council voted to authorize Gateway Engineers to prepare Bid Specifications for Overlook Park Phase II to repair the Spring Valley Steps. This work will be completed in the late Winter/early Spring and the Park will fully reopen in 2025.

HIGHLAND PARK

Over at Highland Park, Borough Staff have been working closely with ACLD Tillotson School to install a BRAND-NEW PLAYGROUND which the School has generously paid for. This inclusive set will greatly benefit students at Tillotson in addition to the larger Community as the park will truly be a play area for ALL. Installation is tentatively scheduled for October 2024.

SNYDER PARK

Last Fall, the Snyder Park Design Meeting was held and thanks to the many engaged citizens, was hugely successful. The feedback received overwhelmingly identified Design 6 as the favorite. Now comes the hard part – finding funding. Staff continues to host “Sports Summits” with local athletic organizations to discuss a long term funding plan and potential collaborations in hopes of bringing the multi-sport design to fruition.

CLOSED PERMIT SYSTEM

The past two Summers, Camp Counselors at Whitehall Borough Summer Camp have encountered outside individuals aggressively attempting to utilize Borough Parks while campers are on site.

As a matter of safety, individuals that are not registered for Summer Camp are NOT PERMITTED to be at the Parks while Camp is occurring.

Whitehall Borough operates a **Closed Park Permit System**. Park Permit Holders are granted exclusive use of a Borough Park on the designated day and time specified on their Park Permit. This applies to the Borough Sponsored Summer Camp, the South Hills Interfaith Movement (SHIM) Camp and the Bhutanese Community Association of Pittsburgh (BCAP) Camp.

Whitehall Borough Summer Camp runs for **6 weeks** every summer; Monday through Friday from 9:00 AM to 1:00 PM at the following Borough Parks – Frank Park, Overlook Park, Snyder Park, and Union Park.

South Hills Interfaith Movement Program runs an **8-week** camp at Prospect Park and BCAP operates a 7-week program at Highland Park.

Children of Whitehall Residents ages 5-13 are welcome to sign up and participate in the Whitehall Borough Summer Camp free of charge. Registration Packets are released annually on April 1st on the Borough Website.

Whitehall Borough, SHIM and BCAP are committed to providing every camper with the best and safest possible experience.
